

Portuguese Bend National Horse Show Set

With an expected 800 entries and an attendance of more than 7,000, the Peninsula Committee of the Children's Hospital has announced that the 1967 Portuguese Bend National Horse Show will be held this year on Sept. 23 and 24 at the Portuguese Bend Riding Club. Mrs. Ernest W. Hahn, chairman, is being assisted by Mrs. Stephen F. Hinchliffe, Jr. and Mrs. Paul E. Morgan. Mrs. Frederick R. Reed is president of the Peninsula Committee.

The Open Show on Sunday will have 12 stake classes among 17 classes competing. Classes added this year are \$200 Roadster to Bike Stake; \$125 Welsh Pony Pleasure Driving Pleasure, riders 17 and under. Also added this year will be an AHSA Conformation Hunter Championship. Classes deleted are the Pine Harness Horse Stake and the Parade Horse Stake.

Presenting trophies on Sunday are Messrs. and Mmes. Harry H. Wetzel, Jr., Robert McCulloch, Robert Norman, George Scharffenberger, Richard Aldworth, George Seymour, William Pulisevich, Mrs. Russell H. Green, Sr.; the Laurence and Russell H. Green families; Warren Burgess, Mrs. Balkin Pruy, Mrs. Elliot Field, and Mr. Guy Ward.

Additional trophy sponsors this year are James Burke, G. M. Mott, Alfred Williams families; Bullock's; and Mr. and Mrs. L. M. Wetzel.

A special event on Sunday will feature Evan K. Shaw and his Metlox Poppy Trail Carriage Collection, which includes 36 pieces of transportation of the past century.

Another popular event slated for Sunday during intermission is the children's parade. This event challenges the children, 12 year and under, to create original costumes for themselves and their animals. They are judged for humor, originality and beauty. There is a sweepstakes for the over-all winner.

Family participation is an important phase of the show. Working five days a week, families are now refurbishing the site of the show. Fences, jumps and stalls are repaired and 20 new stalls have been added. On the days of the show, families serve refreshments from the green and white striped canopied booths, help in the ring, and assist with parking.

All proceeds from the two-day event, which attracts visitors from throughout the state, will go to the Crippled Children's Hospital.

Show Time Nears

Buzzing with excitement as time for the Portuguese Bend National Horse Show draws near are young equestrians of the area, who will compete for ribbons and trophies, along with members of the Peninsula Committee for Crippled Children. Caught looking over trophies and ribbons are two committee members and a young rider, from left, Mrs. George Chacksfield, chairman of refreshments, Barbara Titzler 16, a show participant with her horse "Warham," and Mrs. Charles Houghton, publicity chairman.

Have A Carrot

If carrots are good for children they are bound to be good for horses, especially those getting ready for a show. So these youngsters, from left, Ninon Roseberger 6, Bill Volk 10, and Katy Meiger 7, feed a big carrot to their favorite horse.

Keeping Fit

With the big day coming up and faced with stiff competition young equestrians are exercising and practicing each day. Here, Barbara Titzler, 16, jumps her horse "Warham" as Mrs. George Scharffenberger, on foods committee, looks on.
